

7 Ways to Save \$250 - \$750 a month Right Now!

1. **Phone** – Ask your phone company about current specials. Times are tough. Many companies will discount your monthly rate by \$10 or more a month for three months.

2. **Streaming and TV** – Disney Plus \$9.99/mo, Netflix \$15.99/mo, Amazon Prime, Cable? Get rid of one or more. Now that sports is not on, switch to a lower TV package to save \$25 - \$50/mo.

3. **Auto & Home Insurance** – Shop for better rates. Lower your monthly bill \$50 or more!!

4. **Mortgage** – Consider refinancing. Lowering your interest rate from 3.25% to 2.75% could save you \$300 a month!

5. **Electronic Subscriptions** – Do you really need all of those apps on your phone and computer? Most people can save \$20 to \$30 a month just deleting applications they don't use any more.

6. **Memberships** – Cancel them. Find alternative and creative ways for similar activities. Save \$50 to over \$100 a month.

7. **Budget** – Track your spending!!! Just by watching where your money is going could save you \$300 to \$500 a month!

Be intentional and you could save \$250 to \$300 a month. Do all 7 of these and save as much as a \$1000 a month!!! It is worth the effort either way!
